

Master Tung's Points Seminar

-Dr. Yin's Applications-

You've used these techniques or seen them in clinic. Now it's your turn to learn these highly effective point protocols to expand your knowledge and help your patients see results!!

To be held:

Saturday & Sunday, May 30th & 31st

9:00 am - 5:00 pm

Instructor: Dr. Yin

Dr. Chengchao Yin earned her MD in China and has over 12 years of experience working with both Western and Eastern medicine specializing in cardiopulmonary and gynecological diseases. She has been using the theories, techniques and applications of Master Tong's points to successfully treat a wide array of musculoskeletal, neurological disorders, gynecological problems and internal medicine disorders as so on. Through clinical research, she has further developed these techniques and applications with high success rates.

Fee: Regular Tuition \$275 and Full time student with I D\$210.00 payable by
check to Chengchao Yin, cash also acceptable

Money is due by May 15th to ensure proper head count for the class.

If there is a special circumstance please contact Dr. Yin at

(407)-256-3542 or chenchaoyin@hotmail.com

Spaces are filling up!! We are limiting class size to make sure everyone gets
some hands-on experience and it is not an uncomfortable learning environment.

Sign up for Master Tong's Points Seminar

Saturday May 30th & Sunday May 31st
